INFORMATION AND INSTRUCTIONS FOR OUTPATIENT SURGERY

- Your child, _____ is scheduled for comprehensive dental treatment in the operating room under general anesthesia on _____ at _____.
You are required to also pre-register your child at Covenant SurgiCenter. Without pre-registration you may not be able to keep this appointment.
- Your child will be evaluated by the anesthesiologist on the date of treatment. If your child has systemic health problems (heart disease, heart conditions, etc.) we may require a physical check-up by your pediatrician prior to the date of treatment.
- Your child **must not eat or drink anything after midnight** on _____. Your child's stomach must be empty. Serious complications can arise if these directions are not followed.
- **The parents or guardian must remain in the outpatient surgery waiting area throughout the entire procedure.**
- Please dress your child in comfortable and loose fitting-clothing (no dresses, avoid hair clips, bows, jewelry, etc..). You must report to the above medical facility at _____.
- Have children's Motrin or Tylenol and a thermometer available on the day of treatment. The child will be sore after the treatment is completed.
- If you have any questions or concerns contact your hospital coordinator at 806-749-5437 or cell phone: 806-928-1018(Melissa). If you are calling in regards to the time, contact the Covenant Surgicenter at the number listed above.
- Please bring your current insurance card at the time of treatment.

YOU MUST CALL 48HRS BEFORE APPT FOR CONFIRMATION
